

src/visitor.cpp

```
graph TD; A[src/visitor.cpp] --> B[visitor.h]
```

A diagram illustrating a dependency. At the top is a gray rectangular box with a black border containing the text 'src/visitor.cpp'. A vertical blue arrow points downwards from the bottom center of this box to the top center of a white rectangular box with a black border below it. This lower box contains the text 'visitor.h'.

visitor.h
